## Our University

Trabzon, with its 4,000 years of historical heritage, has hosted numerous civilizations and stands as a city where green and blue meet—a center of history, culture, art, tourism, sports, and education.

Trabzon University was established in 2018 in the Akçaabat district of Trabzon. With a deep-rooted and successful academic background, Trabzon University encompasses 11 faculties, 2 institutes, 1 state conservatory, 2 schools, and 7 vocational schools. The academic staff includes 92 professors, 69 associate professors, 183 assistant professors, 146 lecturers, 102 research assistants, and 371 administrative personnel. The university accommodates over 11,000 students enrolled in associate, undergraduate, and postgraduate programs. Additionally, it hosts numerous international students from 32 different countries.

Trabzon University is committed to providing education and training in line with universal values and scientific principles. It aims to produce high-quality outputs and services in fields such as science, culture, sports, and arts through its research and development activities. The university's mission is to cultivate individuals with strong humanistic, scientific, and professional qualities, marked by high moral standards and exceptional competence.

With its focus on meeting contemporary needs and engaging in quality research and development activities, Trabzon University envisions becoming a distinguished and respected institution preferred for producing highly qualified individuals with outstanding academic, scientific, and professional expertise.

## Transportation - Accommodation - Dining

### Transportation

Trabzon, as a significant settlement, offers transportation options via land, sea, and air. Thanks to its proximity to the state coastal road, Trabzon University does not face transportation issues at its central and other campuses.

Additionally, Trabzon International Airport provides convenient access for both domestic and international students, facilitating educational opportunities.

### Accommodation

The accommodation needs of students enrolled at Trabzon University are met through dormitories affiliated with the General Directorate of Credit and Dormitories Agency (KYK), located around the Fatih Central Campus and its associated campuses. Additionally, private dormitories and apartment-style housing provided by private organizations ensure that students do not face any accommodation challenges.

### Dining Hall

The dining needs of students at Trabzon University are met through cafeterias, canteens, and dining halls operated under the Rectorate. Pricing suitable for students and necessary inspections are overseen by the Directorate of Health, Culture, and Sports. Additionally, there are numerous indoor and outdoor dining options available around the campuses.

## Sports Facilities

The university campuses offer a wide range of sports facilities, including 5 tennis courts, 4 basketball/volleyball courts, 5 football fields, 1 indoor sports complex, and 1 fitness center.

## Libraries and Resources

There are two libraries within the university. These libraries house nearly 50,000 printed books and approximately 40,000 e-books.
